*\*AG Bell is pleased to offer tiered pricing for this year's symposium. Exposure and training related to Listening and Spoken Language (LSL) are key to the development of qualified professionals who help children and their families find success through hearing and speaking. In an effort to be more inclusive and attentive to the spread of LSL, AG Bell is offering a discounted registration rate to attendees who reside in countries that historically have been unrepresented at AG Bell's conferences throughout the past 55+ years. This discount applies to those who reside in one of the countries in List B. Refer to the included PDF of countries to learn your country of residence (A,B), and apply that rate to your registration.*

*\*\*Students must submit a copy of an official school document to 2020symposium@agbell.org that proves their student status.*
