Recognizing that not everyone can attend the live sessions, all presentations will be recorded for the on-demand symposium, which allows for you to learn on your own schedule and will be available July 24-September 15, 2023. The live symposium program is worth up to 19 (1.9 CEUs) hours and the on-demand version is worth up to 51 (5.1 CEUs) hours. Please visit the [Symposium website](#) for additional information regarding specific CEUs.
