* All times are listed in United States Eastern Time (Washington, DC time). † This session will not be videotaped or offered for CEUs. †† This session will not be offered during the On-Demand Symposium.

Recognizing that not everyone can attend the live sessions, most presentations will be recorded for the on-demand symposium, which allows for you to learn on your own schedule and will be available mid-July to September 30, 2024. The live symposium program is worth up to 19 (1.9 CEUs) hours and the on-demand version is worth up to 38 (3.8 CEUs) hours. Please visit the [Symposium website](#) for additional information regarding specific CEUs.
